

REGISTRATION CHECKLIST

## MSME / Udyam Registration Checklist

What you need to register on the Udyam portal, and the concrete benefits that registration unlocks once you're on it.

### What you'll need

- Aadhaar number of the proprietor / managing partner / karta
- PAN of the enterprise
- Bank account number and IFSC
- Business address and date of commencement
- Details of investment in plant, machinery or equipment
- Previous year's annual turnover
- NIC code for your main business activity

### Benefits once you're registered

- Collateral-free bank loans under the CGTMSE scheme
- Protection against delayed payments, with interest, under the MSMED Act
- Priority sector lending status with banks
- Subsidies on patent and trademark registration fees
- Concessions on electricity bills in several states
